ADVANCE IN KNOWLEDGE • CONFIDENCE • PERSISTENCE • ORGANISATION • GETTING ALONG • RESILIENCE

Dear Learning Community,

As we reflect on a very busy and successful term, there is much for our school community to celebrate. Together, we have demonstrated resilience, commitment and a shared determination to provide the very best opportunities for our students.

Some of our many achievements this term include:

- Delivering a range of high-quality learning experiences, excursions, incursions and assemblies across all year levels.
- Successfully hosting our Faction Athletics Carnival, with strong student participation, sportsmanship and community support.
- Winning the **Overall Trophy, Handicap Trophy and Team Games Trophy** at the Interschool Athletics Carnival, a remarkable achievement made possible through the dedication of our students and the outstanding leadership of Mr Shoesmith.
- Supporting literacy development through participation in the **Better Beginnings** program for our Kindergarten students.
- Celebrating reading and learning through our annual **Book Parade**, which showcased creativity and a love of literature.
- Providing opportunities for students to engage in specialist programs, including **PEAC testing, Japanese** cultural experiences **and Taiko Drumming**.
- Celebrating the outstanding performance of our **Senior Choir** at the **Massed Choir Festival**, where students proudly represented Clifton Hills Primary School and showcased their talent, confidence and teamwork. We congratulate all choir members on their achievement and thank **Mrs Jody Taylor** for her dedication and commitment in preparing the choir to perform at such a high standard.
- Holding a highly successful **Open Night**, allowing families to celebrate student achievement and classroom learning.
- Continuing to foster student wellbeing through activities such as **R U OK? Day**, ensuring students understand the importance of kindness, connection and support.
- Achieving strong results in our Parent Survey, with high levels of satisfaction across student safety, communication, teaching quality and overall confidence in the school.
- Seeing a significant improvement in parent perceptions that **students enjoy being at our school**, reflecting our continued focus on wellbeing, engagement and belonging.

Perhaps our greatest achievement, however, has been the way our students, staff and families have supported one another throughout a term impacted by illness and absences. Despite these challenges, learning continued, opportunities were embraced and our school community continued to thrive. This collective effort is a testament to the strength, resilience and commitment of the Clifton Hills Primary School community.

As we come to the end of another busy and successful term, I would like to thank our students, staff and families for their hard work, support and commitment throughout the past ten weeks.

I wish everyone a safe, happy and relaxing holiday break, with plenty of time to rest, recharge and enjoy time with family and friends. We look forward to welcoming everyone back for an exciting Term 4.

Stay safe, enjoy the holidays and... Go Dockers! 💜 ⚓ 💜

Kind Regards

Patricia Joss

VOLUNTARY CONTRIBUTIONS

Thank you very much to those parents who have already paid their Voluntary Contributions of \$50.00 per child. The school relies a great deal on parents paying this voluntary payment.

Voluntary financial contributions are used by the school to provide an enhanced education service and to enhance resources available to students learning.

Payments can be made in full or by instalments throughout the year by Qkr!, cash at the Front Office or direct deposit.

Please contact the school for the bank details.

If paying by direct deposit, please use your child's name and

"Vol Con" as the reference.

Every little bit helps!

Good afternoon,

The Commissioner wants to hear from young people in WA about their health and wellbeing.

The 'DigiMe' feature on our website allows young people to create a digital avatar and share their voices on the current topic.

We would love your help to spread the word and encourage young people to share their thoughts with the Commissioner.

What is DigiMe?

DigiMe is a fun, interactive platform where young people can create a digital avatar and share their thoughts on issues that matter to them. Responses help the Commissioner understand what's important to children and young people in WA.
